“ GAME ACT ”

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that the Bounty Regulations, made by Order in Council No. 1090, approved May 18th, 1949, be rescinded:

And further that, pursuant to the provisions of section 69 of the “Game Act,” the following regulations, to be known as the “Bounty Regulations,” be made:—

BOUNTY REGULATIONS

1. Subject to the provisions hereinafter contained, payment shall be made to any person who is the holder of a licence to carry firearms under the “Game Act” or to an Indian who is a resident of the Province:—

In respect of each cougar killed within the Province, a bounty of..... \$20.00

Provided that when a bonus or registered cougar-hunter who has been appointed in accordance with these regulations personally kills a cougar, within the Province, he shall be entitled to receive a bonus of twenty dollars (\$20) over and above the usual bounty set out herein.

In respect of each timber-wolf killed within the Province, excepting the Electoral Districts of Kamloops, Cariboo, and Lillooet, a bounty of 25.00

In the Electoral Districts mentioned, a bounty of 40.00

In respect of each coyote killed within the Province, a bounty of..... 4.00

2. Bounties shall not be paid on any cougar unless the whole pelt of the animal is produced with an application for bounty, and in respect to wolves killed or taken in the Electoral Districts of Kamloops, Cariboo, and Lillooet, the whole pelt and the right foreleg pad intact, but elsewhere in the Province the pelt only must be produced. In regard to the term “right foreleg pad intact,” this means that the pad should remain on the pelt before application for bounty can be allowed.

Bounty shall not be paid on any coyote unless the complete scalp or cape of the animal is produced, and for the purpose of these regulations “scalp or cape” shall mean all that part of the pelt from the tip of the nose to at least three inches behind the ears.

Further, for the purposes of these regulations a bonus or registered cougar-hunter shall mean a person who has registered and has duly entered into contract with the Game Commission to act as a cougar-hunter within a given or prescribed district and under the direct supervision of the said Commission.

The pelt of any wolf or cougar, or scalp or cape of any coyote, must be produced for bounty payment with an application for bounty within two months after the date on which the pelt, scalp, or cape was taken.

3. Any pelt or part of pelt designated herein shall be produced to one of the following officers—namely, a Government Agent, a Provincial Game Inspector or Supervisor, a Game Warden, an officer or constable of the Royal Canadian Mounted Police Force, or a person duly authorized in writing by the Game Commission to receive applications—and shall deliver to the officer the application made by the applicant in a form prescribed by the Game Commission, setting out the facts as to the killing of the animal and stating the date on which and the place where it was killed. The applicant, if he is the holder of a licence to carry firearms, shall also produce his firearms licence for inspection by the officer.

4. The officer shall examine the pelt produced, and if a hole is found in either ear of the pelt, he shall refuse the application. If both ears are found to be intact and the application is in accordance with the provisions herein contained, he shall cut a hole of not less than one-half inch in diameter in

the left ear of the pelt, and shall endorse upon the application a certificate of approval in the form provided by the Game Commission, and shall return the approved application to the applicant. In respect of an application for bounty covering the destruction of a wolf, the right foreleg pad, where necessary under these regulations, is to be detached and destroyed by the officer taking the application.

5. Where an animal is killed by means other than a firearm, and where the person killing it is neither the holder of a licence to carry firearms nor an Indian, payment of the bounty may be made to that person if his application therefor is approved in writing by the Game Commission and is otherwise in compliance with these regulations.

6. Upon the deposit of the approved application with any Government Agent within sixty (60) days from the date of the certificate of approval, the Government Agent may pay to the applicant the amount payable thereunder with respect to the animals so killed by him.

“ LAND REGISTRY ACT ”

HIS HONOUR the Lieutenant-Governor in Council, by Order in Council No. 465, dated February 26th, 1952, has been pleased to report that Her Majesty proposes to grant to Trans Mountain Oil Pipe Line Company, a company incorporated under the laws of Canada for construction and operating an oil pipe-line, *inter alia*, in the Province of British Columbia, hereinafter called “the Company,” rights-of-way over Crown land for the purpose of its undertaking:

That the Company has represented that it will be necessary to register the title conferred by these grants under the provisions of the “Land Registry Act” for the protection of its interests therein and in order to satisfy counsel for the trustees for the bondholders of the validity of the Company’s title thereto:

That the “Land Registry Act” permits registration of these estates only where the title of Her Majesty to the land comprised within the limits of the right-of-way is brought under the “Land Registry Act,” and accordingly the Legislature has endowed the Lieutenant-Governor in Council with power to make regulations permitting and governing the registration of these estates in accordance with the provisions of section 257 (2) of the “Land Registry Act”:

And that the Minister remarks that for the reasons stated it is desirable that regulations should be enacted permitting the registration of these estates under the provisions of the “Land Registry Act”:

And to recommend that, pursuant to the provisions of subsection (2) of section 257 of the “Land Registry Act,” R.S.B.C. 1948, chapter 171, the following regulations be made:—

1. A Crown grant comprising the right-of-way shall upon its issue be transmitted to the proper Land Registry Office, and the Registrar of the land registration district in which the land is situate shall thereupon enter Her Majesty as the owner of the land comprising the right-of-way in the register, and, upon an application being made for the registration of the Crown grant of the right-of-way and upon compliance with the provisions of the “Land Registry Act” and of these regulations, shall register the title to the right-of-way by endorsing a memorandum thereof on the register:

2. The provisions of the “Land Registry Act” shall, *mutatis mutandis*, extend and apply to registrations effected under the provisions of these regulations:

And to further recommend that notice of this Order be published in five consecutive issues of the Gazette, and that the Order become effective upon completion of the publication therein:

And to further recommend that a certified copy of this minute, if approved, be forwarded to the Registrars of the Kamloops and New Westminster Land Registry Offices, to the Deputy Minister of Lands, and to the Inspector of Legal Offices.
